Not long ago I met a man who was school." an early resident of Columbus. Nebraska, and he told me something. In the early days of Buffalo Bill, when the show was equipped and started out from Columbus, with Major Stires on her way to and from Omaha, Frank North, Col. Nate Salsbury and George Turner blowing the bazzoo. there was a sudden flood which caused a cave-in. It happened that between the old depot and the Clother house, built by Pap Clother, "blessed be his memory." at the time Buffalo Bill had a whole caravan of animals. Indians and cranks to get across, and they had all to be loaded. He was in great consternation, as the railroad crossing above was impassable, and below it was a marsh. Then something happened. One of the biggest bulls of the Buffalo herd broke loose and started pell mell for the depot. He than ever; they have retained the leadgot it in the neck, in the mud and mire he sank, but like many a hero he had gone to glory. Buffalo Bill grasped the situation, shouted to his men, and soon over his back were piled cottonwood timbers, dirt, hav. blankets and everything on hand. which made a road over which Buffalo from California where he had been Bill's Wild West Show started on its spending the winter for his health. way to glory.
